The One Stop Child Care Family Resource

ChildCare.gov helps you find safe and quality child care services in your community that best meet your needs. It's a reliable resource that you can trust.

Finding child care can be stressful.

ChildCare.gov can help you find:

- State and territory child care information all in one place.
- Easy searches for child care, by zip code - near where you live or work.
- Key questions to ask when looking for child care.
- Links to programs to help pay for child care.

Information easy to access, easy to understand, easy to use!

Need before or after school child care? Or, summer camp options?
ChildCare.gov is your go-to source for child care for young children & school-age children!

ChildCare.gov links to other resources to help families:
- Health insurance
- Food assistance
- Mental health services
- Child protective services
- Child support enforcement
- And more!

What is ChildCare.gov?

ChildCare.gov offers families a one-stop website for child care

• The site provides links to State or territory child care information

• It’s a requirement under the Child Care and Development Block Grant Act of 2014 (P.L. 113-186)

• It’s responsive – it looks good on a computer, a tablet, or a phone

Child Care Options
You will find some common definitions of types of child care settings and some helpful tips to make your child care choice easier.

Ensuring Safe & Healthy Child Care
When you are choosing a child care provider, it is important to look for evidence that your child’s health and safety will be a priority.

Choosing Quality Child Care For Your Children
Find child care that is convenient and within your budget but is also a safe and healthy environment for your child.

Paying For Child Care
When you need child care, it’s important to know what resources are available to help with child care costs.

Other Support and Resources for Your Family
This section helps ensure that low income families have access to the support and resources they need to ensure the health and development of their children.

Your Child’s Health and Development
Here you will find easy access to a full range of information, programs, and services that can help your child grow and develop to their full potential.
