

State and Territory CCDF Administrators Meeting
August 7–9, 2018 • Crystal Gateway Marriott • Arlington, Virginia

Effective Collaboration across your Region and within Your State and Local Communities

August 8, 2018

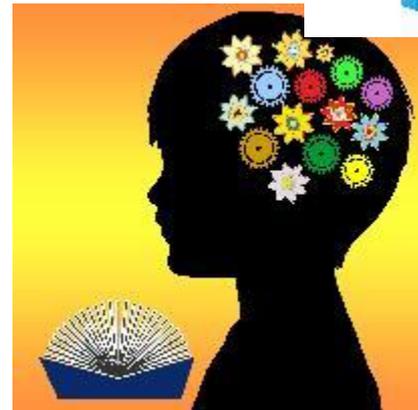

Session Objectives

1. To learn about regional, state, and community approaches to foster Child Care and Development Fund (CCDF) leadership and coordination and outreach to providers and families that is cost effective.
2. Identify opportunities for supporting similar efforts in your region, state, or territory.

Consultation and Coordination

Interview Question #1

1. Describe the initiative, project, or approach that you are here to discuss.
 - Why does it matter?
 - How has this work been valuable or what have you learned from implementing it?

Interview Question #2

2. Tell us about the region, state, or local strategies, approaches, or incentives that have been used to engage providers, families, or communities.

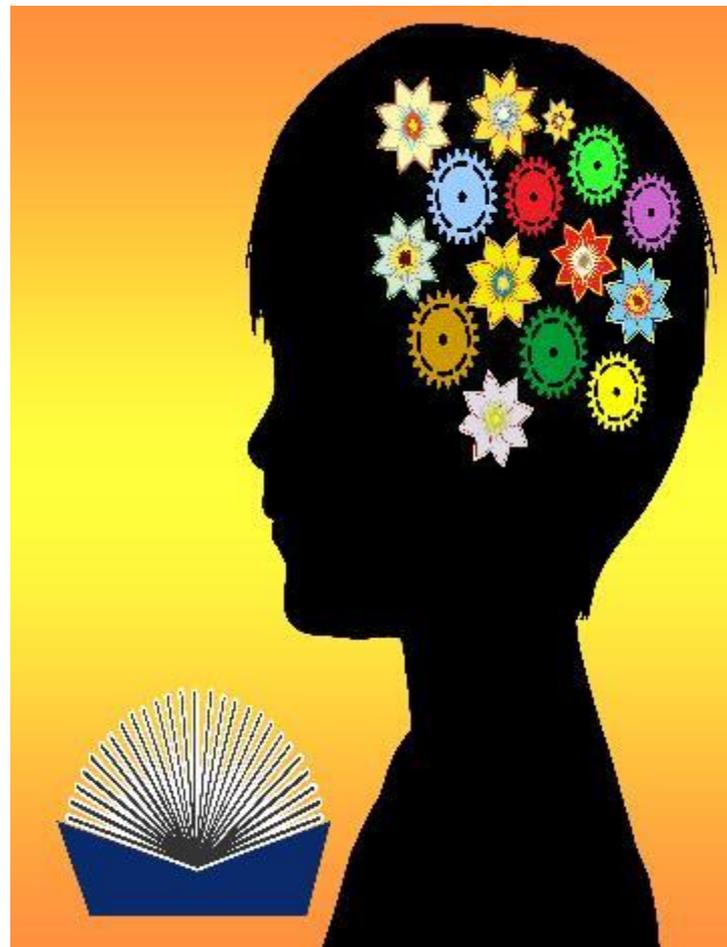

Interview Question #3

3. Share lessons learned from collaborating in this manner.
- What has improved for providers or families?
 - What has been most beneficial as a result of this effort?
 - Have there been challenges to overcome? If so, how did you or how are you addressing them?

Interview Question #4

- Questions?
- Examples to share?

Wrap-up and Reflections

- I learned about...
- I would like to know more about...
- I was surprised by...
- I will be...
- I identified...

Thank you!
