

Health and Safety Action Plan: What Should We Do Next?

Purpose and Goals:

Strengthen and expand strategies to protect the health and safety infants and toddlers in care:

- ◆ ensure that preservice and ongoing health and safety training includes elements important for infants and toddlers;
- ◆ develop or improve systems for criminal background checks, child abuse reporting certification and emergency preparedness which reflect the unique needs of infants and toddlers;
- ◆ ensure that infant and toddler group size and ratios align with the Six Essential Program Practices (PITC) and *Caring for Our Children Basics* recommendations.

The State Capacity Building Center (SCBC) works with state and territory leaders and their partners to create innovative early childhood systems and programs that improve results for children and families. The SCBC is funded by the U.S. Department of Health and Human Services, Administration for Children and Families, Office of Child Care.
