Federal Supports for Afterschool and Summer Child Care

American Samoa

There are two major sources of federal funding and supports for afterschool and summer child care: the Child Care and Development Fund (CCDF) and the 21st Century Community Learning Centers (21st CCLC) program. This data profile focuses primarily on the Child Care and Development Fund.

In American Samoa, the Department of Human and Social Services serves as the CCDF Lead Agency and oversees all aspects of CCDF administration, including subsidy and financial assistance, outreach and consumer education, licensing and monitoring, child care workforce, and quality improvement.

School-Age Children (5 through 12 years old) Served Through Subsidies in American Samoa:

- **15%** of all children served through subsidies are school-age.
- **$132** average monthly subsidy for school-age child care.
- **Average of 37** school-age children served each month.
- **97%** served in child care centers.
- **3%** served in family child care.
- **0%** served in child’s own home.
- **22%** increase in the number of school-age children served during summer months (June-August).
