

## STATE/TERRITORY PROFILE - DELAWARE

This profile highlights a current innovative effort to promote a subsidy system that is child-focused, family friendly, and fair to providers. It also provides demographic information, Early Care and Education (ECE) program participation and funding, subsidy innovation and program integrity information, program quality improvement activities, and professional development and workforce initiatives. Sources and links are provided at the end of the document

## HEALTH AND SAFETY

Child-Staff Ratios by Group Size by Age of Children for Licensed Child Care Centers

Age of Children	Child-Staff Ratio	Group Size
Infant (11 months)	4:1	8
Toddler (35 months)	8:1	16
Preschool (59months)	10:1	20
School-age (6 years)	15:1	30
School-age (10 years and older)	15:1	30
If any of the responses above are different for exempt child care centers, describe which requirements apply:	Described Below	
Exempt childcare centers must abide by a series of health and safety regulations such as food preparation, fire safety, etc. There are currently no regulations regarding ratios of provider to child or maximum group size. Exempt providers who serve children receiving CCDF assistance will be required to obtain a license by July 31, 2018.

#### Consumer Education Website

<p>How the Lead Agency ensures that its website is consumer-friendly and easily accessible</p>	<p>The lead agency intends to ensure that the website is consumer friendly by using the best navigation practices such as “previous” “next” and “home” buttons as well as other tools such as indicators of where the user is now and where the user has been within the site. The visually impaired will be able to switch text size and have the information read to them. Those who speak languages other than English will be able to translate the text into their native tongue. The developer will also consider readability in terms of the grade level of the target audience as well as ensure compliance with federal laws regarding access to consumers.</p>
<p>How the website ensures the widest possible access to services for families that speak languages other than English</p>	<p>The website will include a translator that will ensure access to information in languages other than English.</p>
<p>How the website ensures the widest possible access to services for persons with disabilities</p>	<p>The consumer education website was developed to provide comparable access to data and information technology for people with disabilities to those without them. The visually impaired will be able to switch text size and have the information read to them. Therefore, the website will conform to the Section 508 standard.</p>
