

STATE/TERRITORY PROFILE - NEW HAMPSHIRE

This profile highlights a current innovative effort to promote a subsidy system that is child-focused, family friendly, and fair to providers. It also provides demographic information, Early Care and Education (ECE) program participation and funding, subsidy innovation and program integrity information, program quality improvement activities, and professional development and workforce initiatives. Approaches Used for Promoting Continuity of Care

<ul style="list-style-type: none"> ◦ Coordinating with Head Start, prekindergarten, or other early learning programs to create a package of arrangements that accommodates parents' work schedules 	Yes
<ul style="list-style-type: none"> ◦ Inquiring about whether the child has an Individualized Education Program (IEP) or Individual Family Services Plan (IFSP) 	
<ul style="list-style-type: none"> ◦ Establishing minimum eligibility periods greater than 12 months 	
<ul style="list-style-type: none"> ◦ Using cross-enrollment or referrals to other public benefits 	Yes
<ul style="list-style-type: none"> ◦ Working with IDEA Part B, Section 619 and Part C staff to explore how services included in a child's IEP or IFSP can be supported and/or provided onsite and in collaboration with child care services 	
<ul style="list-style-type: none"> ◦ Providing more intensive case management for families with children with multiple risk factors; 	Yes
<ul style="list-style-type: none"> ◦ Implementing policies and procedures that promote universal design to ensure that activities and environments are accessible to all children, including children with sensory, physical, or other disabilities 	

<ul style="list-style-type: none"> ◦ Other: 	<p>BCDHSC partners with Head Start and utilizes a DCYF/Head Start Memorandum of Agreement to enable wrap-around services for children who are enrolled in Head Start for part of the day to attend child care for a remaining portion of the day. The agreement specifies that child care programs may bill the NH Child Care Scholarship Program for the full-day rate for children who attend Head Start for part of the day and then attend child care the rest of the day. For children receiving DCYF Preventive care, the family must have a family service plan that focuses on barriers, needs of the child, and goals, which is developed with both family and worker input. For children receiving DCYF Protective services, the NH Child Care Scholarship Program covers the cost share and copayment amount in order to remove any financial barriers and to improve continuity of care. NH pays a special need differential to child care providers on behalf of eligible children, which is intended to be used for accommodation or classroom adaptation in the child care setting. The cumulative effect of these weekly payments for a child can increase continuity of specialized care received in a particular child care program. NH distributed approximately 10,000 copies of the Early Learning Standards statewide to provide essential information to support and enhance children's development and learning. The NH Early Learning Standards guide contains a section titled, "Differences in Development," which outlines developmental milestones at various age intervals. These milestones may help families and professionals who work with children from birth through age five identify potential delays in development that may be a cause for concern. If there is an identified concern about a child's development, the section in the document "Partnering with Families When You Have a Concern About a Child's Development" helps guide professionals about the process that could be followed to help families ensure a child receives follow-up services to address the concern. The document also provides resources in the section titled, "Where to Get Help." This section has information about NH's development screening system called "Watch Me Grow." Families and professionals also have information about NH's early intervention system, "Family-Centered Early Supports and Services (FCESS)" for children from birth to 3 years of age, and information about Preschool Special Education Services for children ages 3 - 5. An overview of the special education process also helps families understand the basics about the Individualized Education Program (IEP) process.</p>

Increasing Access for Vulnerable Children and Families

Children with Special Needs	
<ul style="list-style-type: none"> ◦ Prioritize for enrollment 	
<ul style="list-style-type: none"> ◦ Serve without placing these populations on waiting lists 	
<ul style="list-style-type: none"> ◦ Waive co-payments 	
<ul style="list-style-type: none"> ◦ Pay higher rates for access to higher quality care 	Yes
<ul style="list-style-type: none"> ◦ Use grants or contracts to reserve slots for priority populations 	
<ul style="list-style-type: none"> ◦ Other: 	<p>A child experiencing significant special needs means a child through the age of 17 who has a verified medical, physical, developmental, educational and/or emotional disability requiring additional funds for accommodation or classroom adaptation in the child care setting, and children receiving preventive or protective NH Child Care Scholarship. DHHS prioritizes these children by providing a differential payment to child care providers who certify that they need additional funds to care for a child experiencing significant special needs and that a physician, physician's assistant, advance practice registered nurse, licensed mental health professional or a SAU Special Education Director or Area Agency Director certifies that a child's significant special need requires additional support. For a child age 13 through 17 years of age, the physician, physician's assistant, advance practice registered nurse, or licensed mental health professional must certify that the child's condition limits the child's ability to care for him/herself or he/she would cause harm to him/herself or others without supervision.</p> <p>The payment is made weekly based on the child's full-time, half-time or part-time attendance. The weekly differential payment for full time attendance is \$50, for half time attendance is \$30, and for part time attendance is \$15. Children with special needs receive the same eligibility priority as other CCDF-eligible children. Children receiving preventive or protective child care or who are within 92 days of transitioning out of preventive or protective child care are exempt from a wait list when the parent applies for employment-related NH Child Care Scholarship. Cost share may be waived for these families on a case-by-case basis. Child care providers who are serving children with special needs may receive specialized technical assistance to their program at no cost with the express intent of including children in the program and preventing suspension and expulsion.</p>
Families with Very Low Incomes	
<ul style="list-style-type: none"> ◦ Prioritize for enrollment 	Yes
<ul style="list-style-type: none"> ◦ Serve without placing these populations on waiting lists 	Yes
<ul style="list-style-type: none"> ◦ Waive co-payments 	
<ul style="list-style-type: none"> ◦ Pay higher rates for access to higher quality care 	
<ul style="list-style-type: none"> ◦ Use grants or contracts to reserve slots for priority populations 	

<ul style="list-style-type: none"> Other: 	<p>1) Families whose income is at or below 100% of the Federal Poverty Level who are not receiving TANF; and 2) Families currently receiving TANF benefits or are within 92 calendar days of TANF benefits ending. Families in the first category would be placed on the high priority wait list, when one is in effect, where they will be released twice as quickly as those families on the non-priority wait list. Families in the second category are guaranteed to receive NH Child Care Scholarship. Currently there is no wait list in NH.</p>
Children Experiencing Homelessness	
<ul style="list-style-type: none"> Prioritize for enrollment 	Yes
<ul style="list-style-type: none"> Serve without placing these populations on waiting lists 	
<ul style="list-style-type: none"> Waive co-payments 	
<ul style="list-style-type: none"> Pay higher rates for access to higher quality care 	
<ul style="list-style-type: none"> Use grants or contracts to reserve slots for priority populations 	
<ul style="list-style-type: none"> Other: 	<p>Families who meet the McKinney-Vento definition of homelessness are eligible for Expedited Child Care to improve access to child care services. Expedited child care must be determined within 7 calendar days of the date of application with a final eligibility decision made within 30 calendar days. The child care provider must be a currently enrolled DHHS child care provider. Expedited child care is allowed with a person's self-attestation as verification of homelessness and that the parent is participating in employment, training, education or job search. A parent is not required to verify income or complete Form 1863 "Provider Verification" to be determined eligible for expedited child care. NH requires the family services specialist to ask a family if they meet the McKinney-Vento definition of homelessness, if they report they live in a home or apartment. Families are prompted to respond to this question when applying online through NH EASY. FSS are trained to inform families of the opportunity to receive expedited child care to improve access to child care services. In addition, Child Care Aware of New Hampshire, statewide Child Care Resource and Referral (CCR&R), participates in the Homelessness Task Force and screens for indications of homelessness during the intake process when providing referrals for families. They are familiar with expedited child care and will also refer families experiencing homelessness to other resources and programs that might benefit them. If they identify a family as homeless, they track it in their referral database. He-C 4002.17(a), He-C 6916.09(l), and He-C 6917.09(k) provide families experiencing homelessness and children in foster care 60 days to obtain immunization records.</p>
Families Receiving TANF*	
<ul style="list-style-type: none"> Prioritize for enrollment 	
<ul style="list-style-type: none"> Serve without placing these populations on waiting lists 	
<ul style="list-style-type: none"> Waive co-payments 	
<ul style="list-style-type: none"> Pay higher rates for access to higher quality care 	
<ul style="list-style-type: none"> Use grants or contracts to reserve slots for priority populations 	
<ul style="list-style-type: none"> Other: 	<p>Services are prioritized as follows: Families who are receiving TANF or who have transitioned off TANF in the past 92 calendar days; families currently experiencing homelessness or whose families have found housing after experiencing homelessness within the past 92 calendar days; families whose preventive or protective child care services closed in the past 92 calendar days; and families receiving NH Child Care Scholarship with a single parent who is placed on orders or deployed for military service if the single parent will be out of NH for more than 30 calendar days and their legal guardian applies and is determined eligible for NH Child Care Scholarship. The legal guardian's income is not counted unless his or her own children are receiving NH Child Care Scholarship. Families whose single parent returns from military service out-of-state and reapplies for child care and is determined eligible are not subject to a wait list, when one is in effect. Families who are at or below 100% of FPL and not receiving TANF, but may be at risk for becoming dependent on TANF, are placed on a high priority wait list, when one is in effect, and released twice as quickly from the wait list as other CCDF eligible families.</p>

* Includes families receiving TANF program funds, those transitioning off TANF through work activities, or those at risk of becoming dependent on TANF.

Consumer Education Website

How the Lead Agency ensures that its website is consumer-friendly and easily accessible	<p>DHHS contracts with Child Care Aware of NH to host and maintain the consumer education website. The website is a user-friendly, regularly updated site that meets best practices standards for Child Care Aware of America, National Association for the Education of Young Children (NAEYC) and National Afterschool Association (NAA). It incorporates resource buttons for use with tablets and smartphones to accommodate the increasing number of people who use these modalities.</p> <p>This site offers a "How Do I?" tab that addresses frequently asked questions in addition to a search feature. The main page directs the consumer to different featured tabs or "buttons" that include child care search (online referral search), NH Professional Registry (online workforce history for users and training search), Child Care Licensing Unit, Child Care Aware Training Academy and additional tabs specific for families, providers, resources, and data reports. A list of informative and related resources and links for both families and providers are provided on the main page of the website, with tabs specific to the various stakeholder groups as outlined below:</p> <p>The "Families" tab provides the following selections: Helping Children Grow; Quality Care Matters; Types of Child Care; Child Care Licensing; and Family Resources with sub-sections on Emergency Planning; Wellness & Safety Resources.</p> <p>The "Providers" tab provides the following selections: Helping Children Grow; Child Care Licensing; Quality Matters Professional Development; Child Care Aware Training Academy (an online customizable training component); Annual Training Calendar; First Aid & CPR; Health & Safety Trainings and Resources; Emergency Planning; Smart Horizons Online trainings; and Provider Resources.</p> <p>In addition, the main page includes a funding disclaimer and complaint policy, along with social media links to Facebook and Pinterest.</p>
How the website ensures the widest possible access to services for families that speak languages other than English	<p>The website ensures that families that speak languages other than English will have access to all resources by utilizing the Google Translate service. This service is accessible by self-selecting the language choice button on the main page. This service translates the entire website navigation system and web-created pages into the chosen language. Child Care Aware of NH is in the process of further enhancing access for families that speak languages other than English by upgrading the linked databases and other information with translation software or pre-translated documents. This will support compliance with state mandates and best practice guidelines.</p>

<p>How the website ensures the widest possible access to services for persons with disabilities</p>	<p>Through Child Care Aware of NH, individuals can request that information be made available in alternate formats. Child Care of Aware of NH’s contact information is provided on the “Contact Us” page. Child Care Aware of NH has contracted with a website developer to redesign the Consumer Education website. The new website will be 508 compliant, augmenting the current available services and increasing accessibility to individuals with disabilities. The work has begun and will continue through Spring of 2019.</p>
