Consumer Education Website

<p>How the Lead Agency ensures that its website is consumer-friendly and easily accessible</p>	<p>The Lead Agency website is easy for consumers to access from mobile devices, tablets and desk tops. It utilizes a format that easily identifies content areas of interest to families needing information, assistance and resources. The website tabs line the top and left side of every page of the child care services specific area. The top tabs include: Parents and Families section that provides information on finding/assessing child care, benefits and social services for families and specific information on community services, child development, nutrition, developmental milestones and Child Care Locator; Providers and Educators section that provides information on licensing requirements, criminal background investigations and fingerprint process, Early Learning Guidelines, QRIS, and professional development resources and a how to report abuse and neglect; Partners and Public section contains resources available at state agencies, health and safety guidelines, parent information, and services for the homeless and hungry. There are connections to Quick Links on the left hand side of the page that include applying for benefits, filing a licensing complaint, reporting child abuse and neglect, Oklahoma Professional Development Registry and the Oklahoma Child Care Resource and Referral Association. The tabs on the left side of the page include a section for all of the licensing requirements, one the includes law’s, rules, standards and competencies, a section child development, health and safety, a government relations section and contact us page. The design makes it easy to locate topics of interest. The content is written so it that the general public can understand and contact information allows for viewers to call with questions. The website is 508 compliant so that the content is available to the public. Additional consumer friendly information supported by the Lead Agency is found on the Oklahoma Child Care Resource and Referral Association website https://www.oklahomachildcare.org/. Partnering agencies such as Center for Early Childhood Professional Development, Scholars for Excellence in Child Care and Oklahoma Child Care Resource and Referral Association include links to the Child Care Services website, http://www.okdhs.org/services/cc/Pages/ChildCare.aspx.</p>
<p>How the website ensures the widest possible access to services for families that speak languages other than English</p>	<p>The Lead Agency utilizes several strategies to ensure the widest possible access to services for families that speak languages other than English. The OKDHSLive website is an easy way for an individual is eligible for child care benefits, food benefits, SoonerCare or other benefits to apply. http://http://www.okdhs.org/OKDHS%20Spanish%20Form%20Library/08MP001S.pdf.
